- 2.2.3 The name and mailing address of the applicant should be marked on the other side of the envelope.
- 2.2.4 All the information requested for pre-qualification shall be provided in English language. Where information is provided in any other language, it shall be accompanied by a translation of its pertinent parts into English language. The translation will be used for interpreting the information.
- 2.2.5 Failure to provide information that is essential for effective evaluation of the applicant's qualifications or to provide timely clarification or substantiation of the information supplied may result in the applicant's disqualification.

2.3 Eligible Candidates

- 2.3.1 This invitation for pre-qualification is open to all candidates who are eligible and capable as defined in Kenya's Public Procurement Public Procurement & Asset Disposal Act 2015.
- 2.3.1 The procuring entity's employees, committee members, board members and their relatives (spouse and children) are not eligible to participate in the tender unless where specifically allowed under the Act.

2.3.2 All firms found capable of performing the contract satisfactorily in accordance to the set prequalification criteria shall be prequalified.

2.4 Qualification Criteria

2.4.1 Pre-qualification will be based on meeting the minimum requirements in the evaluation criteria (Section V). The declaration will be either pass or fail under the mandatory stage of evaluation. The procuring entity reserves the right to waive minor deviations if they do not materially affect the capability of an applicant to perform the contract.

2.4.2 When highly specialized inputs (especially for execution of the contract) are required by the applicant from specialist sub-contractors, such subcontractors and their inputs shall be described in the Standard Form 1 (General Information)

2.4.3 General Experience: The applicant shall meet the following minimum criteria:

2.4.3.1 average annual turnover as supplier of borehole pumps, motors, solar panels & accessories over the **last 5 years of Ksh. 3,000,000.00**, and

2.4.3.2 Successful experience as main supplier of borehole pumps, motors, solar panels & accessories to **at least five clients within the last 5 years**.

2.4.4 Personnel capabilities: The applicant must have **at least 3 key personnel suitably qualified to fulfill** the requirements of the contract.

2.4.5 Facility capabilities: The applicant should **own, or have assured access (through hire, lease and purchase agreement), of relevant facilities and assurance they will be available** for use in the proposed contract.

2.4.6 Financial position: The applicant shall demonstrate **access to, or has available, liquid assets, unencumbered real assets, lines of credit and other financial means** sufficient to meet the cash flow requirements of the works for the implementation period.

- 2.4.7 The audited Accounts for the last 3 years will be submitted and must demonstrate the soundness of the applicant's financial position, showing long-term profitability.
- 2.4.8 Litigation history: the applicant should provide accurate information on any litigation or arbitration resulting from contracts completed or under its execution over the last five years.

2.5 Joint Venture

2.5.1 Joint ventures must comply with the following:-

2.5.1.1 The following are the minimum qualification requirements:

(i) The lead partner shall meet not less than 50% of all the qualifying criteria in paragraph's 2.4.3 and 2.4.6 above.

(ii) The other partners shall meet individually not less than 20% of all the qualifying criteria given in paragraph's 2.4.3 and 2.4.6 above

(iii) The joint venture must satisfy collectively the criteria of section 4, for which proposed relevant figures for each of the partners shall be added together to arrive at the joint ventures total capacity.

2.5.1.2 The formation of a joint venture after pre-qualification and any change in a prequalified joint venture will be subject to the written approval of the procuring entity prior to the deadline for submission of bids. Such approval may be denied if (i) partners withdraw from a joint venture and the remaining partners do not meet the qualifying requirements (ii) the new partners to a joint venture are not qualified, individually or in another joint venture; or (iii) in the opinion of the procuring entity a substantial reduction in competition may result.

(c) Any future bid shall be signed so as to legally bind all partners, jointly and severally, and any bid shall be submitted with a copy of the joint venture agreement providing the joint liability with respect to the contract.

2.5.2 The pre-qualification of a joint venture does not necessarily pre-qualify any of its members individually as a member in any other joint venture or association. In case of dissolution of a joint venture, each one of the constituent firms may prequalify if it meets all the prequalification requirements, subject to a written approval of the procuring entity

2.6 Public Sector companies

2.6.1 Any public owned enterprise may be eligible to qualify if, in addition to meeting all the above requirements, it is also legally and financially autonomous, it operates under commercial law, and it is not a dependent agency of another public entity.

2.7 Conflict of Interest

2.7.1 The applicant (including all members of a joint venture) shall not be associated, nor have been associated in the past, with the consultant or any other entity that has prepared the

design, specifications, and other prequalification and bidding documents for KIMWASCO's projects, or with an entity that was proposed as engineer for KIMWASCO's contracts. Any such association must be disclosed and may result in the dis-qualification of the applicant

2.8. Updating Pre-qualification Information

2.8.1 Pre-qualified candidates shall be required to update the financial information used for pre-qualification at the time of submitting their bids and to confirm their continued compliance with the qualification criteria. A bid shall be rejected if the applicant's qualification thresholds are no longer met at the time of bidding.

3. Financial Evaluation Scores

The formulae for determining the Financial Score (FS) shall be as follows: - $FS = (LP/QP) \times 100$ where FS is the financial score; LP is the lowest quoted price; QP is the quoted price under consideration. Tenders will be ranked according to their combined technical (TS) and financial (FS) scores using the weights (TW=the weight given to the Technical score: FW = the weight given to the Financial score. The combined technical and financial score, S, is calculated as follows: - $S = TS \times TW + FS \times FW$.

Note: TW + FW = 1, TW = 0.6, FW = 0.4

The firm achieving the highest combined technical and financial score will be awarded the contract.

The Evaluation Committee will check the arithmetic errors and confirm the changed prices before determining the financial score.
